A Note From Our President...

Howdy!

Welcome the Beaumont Aggie Moms' Club! My name is Christie Hodges LeBlanc and I am blessed to serve as the Club President for the 2018-2019 school year.

My connection to Aggieland began last year when my son became the Loudest and Proudest freshman in the Class of 2021. He is currently a sophomore majoring in Civil Engineering.

Our Club was established in 1933. Through the years we have shared laughter, tears, advice, and applauded lots of accomplishments. We look forward to doing that with you too!!

Our Club is led by an amazing group of ladies on our Board and Committees. They have been working through the summer preparing for **you** - meetings, social events, fundraising, service opportunities, etc. There are so many ways to be a part of this club and support our Aggies.

Please check our website www.beaumont.aggie moms.org and our join our Facebook page "Beaumont Aggie Moms" to find the latest information. We are proud members of the Federation of Texas A&M University Mothers' Clubs - another great resource for you.

Our General meetings are held on the 2nd Tuesday of each month from August through May, except March it will be the 3rd Tuesday due to Spring Break. These meetings are a fantastic opportunity to form friendships, learn about Texas A&M, ask questions and support those Aggies!

I look forward to meeting you and sharing this year with you.

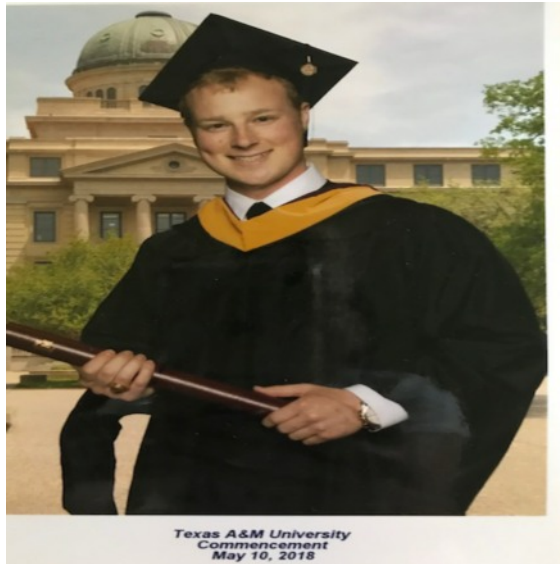

Gig 'em and God Bless!

May & August 2018 Graduates!!

May 2018 - Jenna Anderson Dalton Horn, Andrew McGovern, Nathan Monger, Hannah Stawser

August 2018 - Shawn Figari

Dalton Horn

Dalton graduated with a Master of Science in Biomedical Sciences. He plans to apply to Veterinary school at Texas A&M this Fall.

Nathan Monger

Robert Nathaniel (Nathan) Monger graduated May 10, 2018 with a *Bachelor of Business Administration in Marketing*. Nathan has accepted a job with Kenai Fjords Tours in Seward, Alaska, which began May 14th.

My name is Andrew McGovern. I grew up in Winnie, Texas and attended East Chambers High School. I just graduated from Texas A&M this past May where I majored in civil engineering. While I was there, I was involved in Fish Camp, MSC ALOT, and MSC Bethancourt. I grew a lot while I was there, and I also studied from time to time. I appreciate the Association membership and for your support over the years. Thanks and Gig 'em!

Shawn Figari, above, graduated this August with a Bachelor of Liberal Arts in Economics with a minor in Business. He is planning to attend law school in the spring.
